I would like to support Proposal 2 (JD). I am in favor of keeping Salt Point State Park completely open for recreational use, fishing and diving, because it provides some of the safest access along our coastline. With 9 abalone diving related deaths this year, I believe it is important to provide adequate facilities and safe access for the public to utilize. I am also opposed to the closure of the southern half of clam island in Tomales Bay.

Thank You.

David Sereni

Santa Rosa, CA
